The herbal stamps are hand made by our massage therapists with local herbs, you may choose between VITALIZING or RELAXING herbal stamps.

The gentle pressure of the heated herbal stamps, the scent and the valuable ingredients of the herbs have an activating effect on the whole organism. The lymph flow and immune system are stimulated, muscle tensions are released, the detoxification and purification process is promoted and the self-healing powers are strengthened. The herbal stamp massage relieves states of tension and their effects. A velvety soft and pleasant skin feeling is achieved.
